Advanced Diploma, Computer Systems Technology: Software Development & Network Engineering, Sheridan College, Oakville, ON

2024 - 2027

- CGPA: 3.98 (4.0 scale)

College Diploma, Heating, Refrigeration, and Air Conditioning Technician, George Brown College, Toronto, ON

2015 - 2017

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, TypeScript, SQL, Bash, C#
- **Frameworks & Libraries:** React, Angular, Express.js, Node.js, Spring Boot, Flask, .NET
- **Databases:** MySQL, MongoDB, H2
- **Testing:** JUnit, Cypress (End-to-End Testing)
- **Tools & Platforms:** Git, GitHub, Linux CLI, AWS, Visual Paradigm
- **Currently Learning:** Data Structures and Algorithms, C, Kotlin, Android Studio,

PERSONAL PROJECTS

LAN Beam – Flutter, Dart

- Designed and built a LAN-based file transfer tool to send files between devices without compression or removable media.

Taskoro (Kiro Hackathon) – [GitHub](#) – [Live Demo](#) – React, TailwindCSS, Express, PostgreSQL

- Built a natural-language to-do application during the Kiro Hackathon, allowing users to create tasks using plain English (e.g., “Buy groceries tomorrow at 3pm”)
- Parsed natural-language input and synchronized tasks with Google Calendar, automatically generating scheduled events

Pokédex – [GitHub](#) - Flask, Python, Jinja2, HTML, CSS, RESTful API

Created a dynamic Pokédex using Flask and the PokéAPI to retrieve and display real-time Pokémon data, rendering pages with Jinja templates that show stats, sprites, and audio cries.

OTHER WORK EXPERIENCE

- Account Sales Manager**, Red Bull Canada Distribution, Mississauga, ON June 2023 - December 2023
- Surpassed monthly volume and KPI targets, ranking in the top 10% of the Ontario sales team
 - Increased shelf space and product visibility in key accounts, leading to a 20% boost in Red Bull sales volume at high-traffic locations
 - Managed sales, delivery, and merchandising operations for 100+ retail accounts across Etobicoke
- Account Merchandiser**, Pepsi Bottling Group Canada, Mississauga, ON April 2022 - June 2023
